

Walker Creek Needs You!

Volunteer Urban Forest Restoration – Saturday, March 20

- Do you want to protect our trees from ivy?
- Do you care about a healthy environment for your children?
- Do you want to improve Highline for fish, wildlife, and people?
- Do you want to get rid of the stress of the work week by whacking non-native, invasive weeds?

If so, recruit your friends and family and join us to help restore a section of Walker Creek!

Date: Saturday, March 20, 2010

Time: 9 – 11 a.m.

Location: Enter off First Ave. S. just south of the Normandy Park Assisted Living Center, 16625 First Ave. S. The entrance is a gate directly opposite the intersection of S. 168th St. and First Ave. S.

If driving, your parking options include:

- Two-three spaces for high clearance vehicles just inside the gate
- Three spaces in the small lot at SW 171st St. and Second Ave. S.W.
- On the street along S. 168th St. on the east side of First Ave. S.

Task: We will continue the work of removing English ivy from trees and the forest floor along Walker Creek.

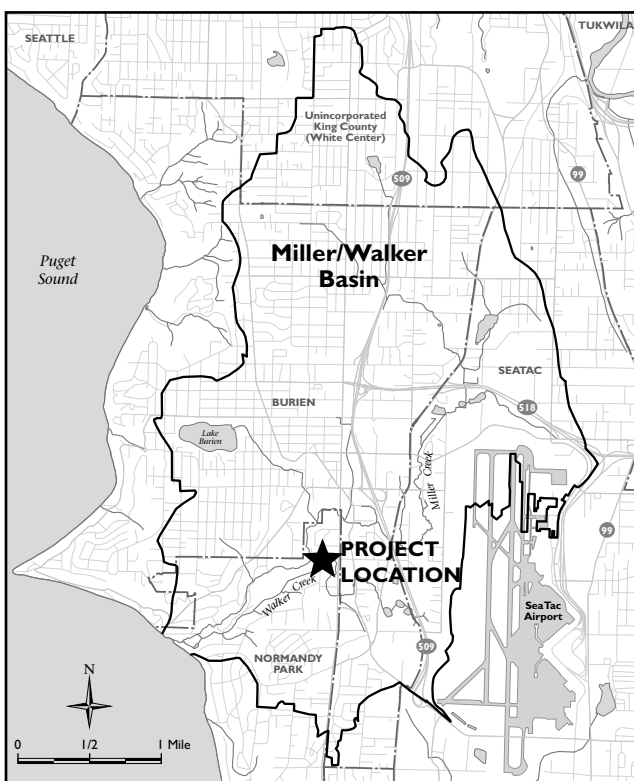

What do you need?

- An eager attitude
- Sturdy shoes or boots
- Water bottle
- Gloves (if you have them)

We provide gloves, tools, and snacks!

This project is a cooperative effort of the Cities of Normandy Park, Burien, and SeaTac; the Port of Seattle; and King County. These governments are working with residents to improve water quality and create healthy streams in the Miller and Walker Creek basins.

Advance sign-up is encouraged to help us plan. For sign up and questions, contact Dennis Clark, Miller/Walker Creek Basin Steward, dennis.clark@kingcounty.gov, 206-296-1909.
