

2021 Cooperative Watershed Management Grant Program

NOVEMBER 18, 2020

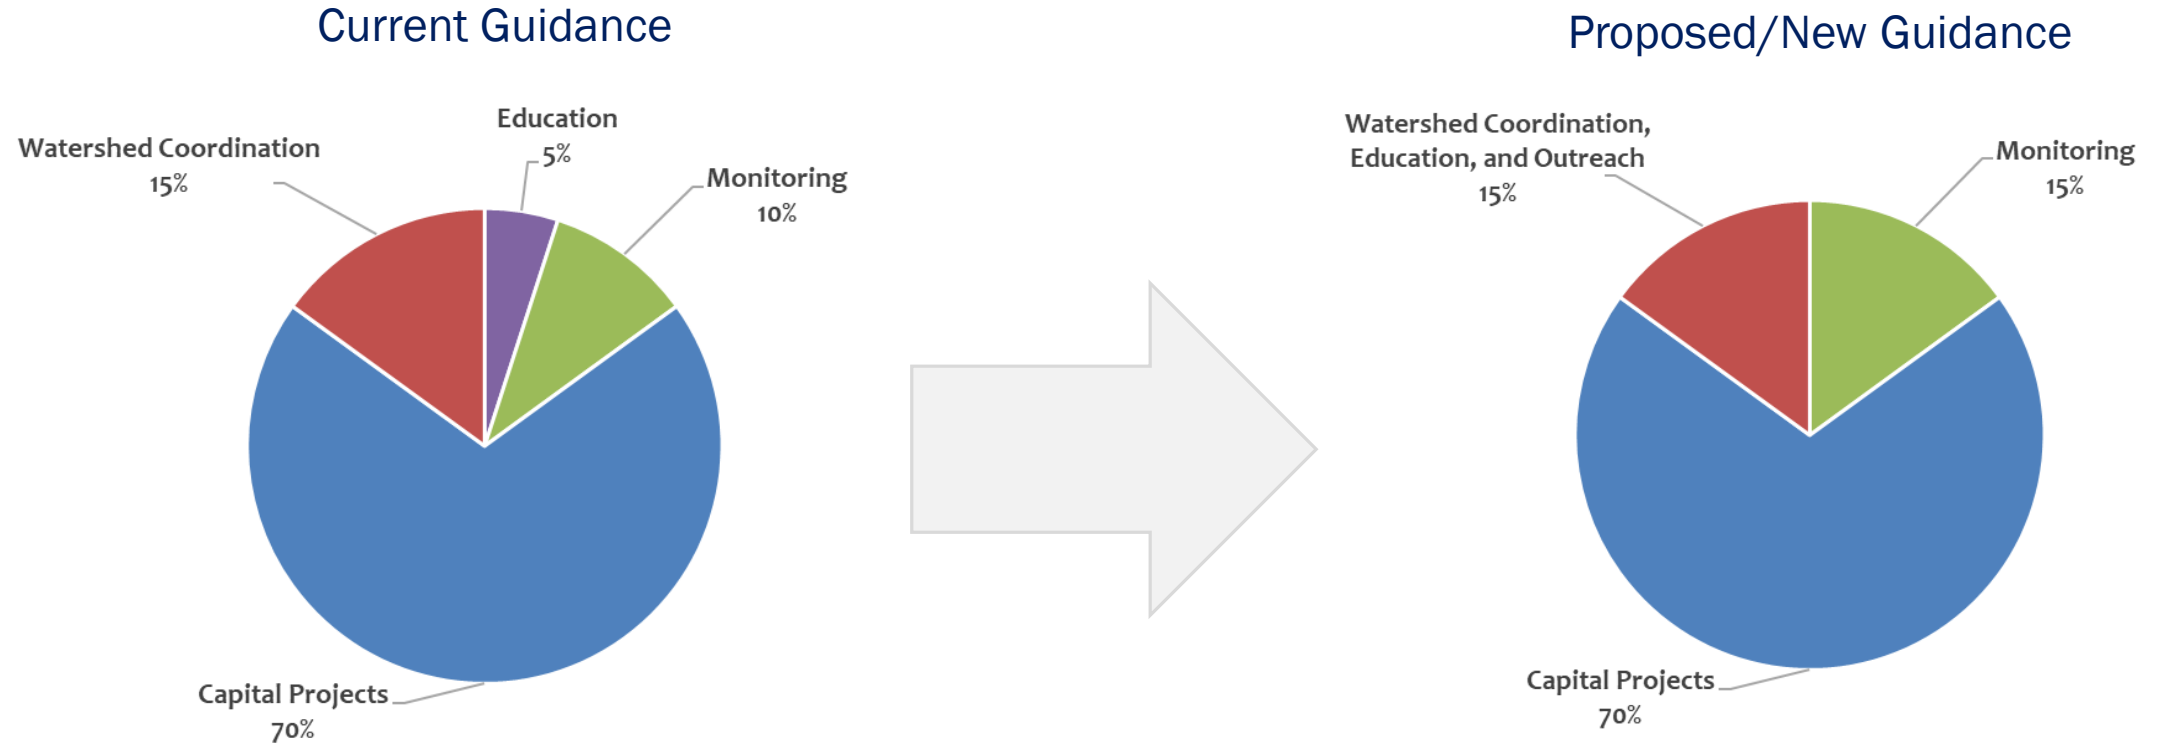

Forum Decisions

Seeking approval for:

1. Revised Forum guidance for CWM funding allocations
2. 2021 CWM Grant Schedule

Under KC FCD's doubled investment in CWM, current Forum funding guidance for *Watershed Coordination* is likely to exceed demand, while *Monitoring* falls short.

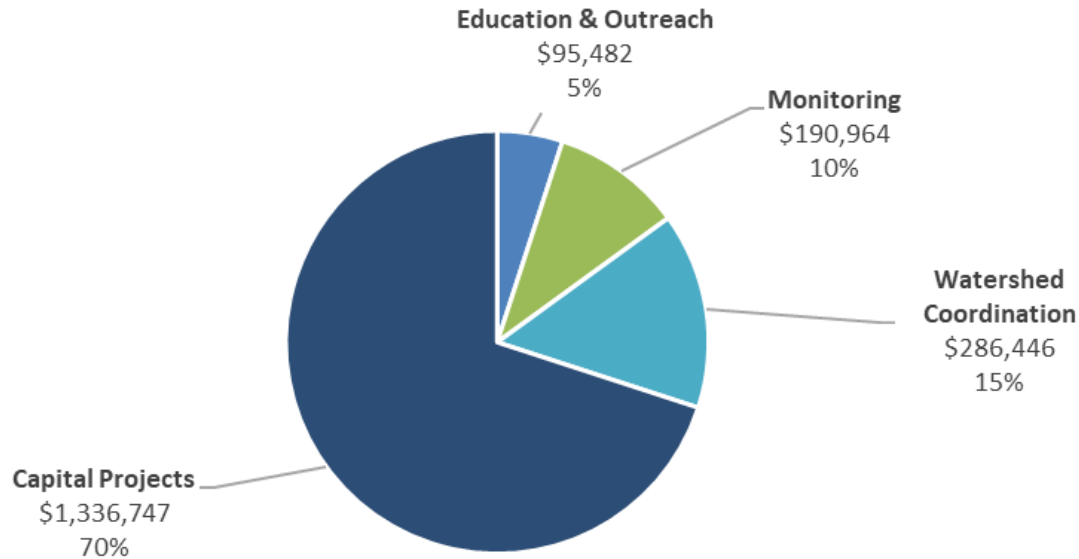

Forum Funding Guidance for CWM Grant Program

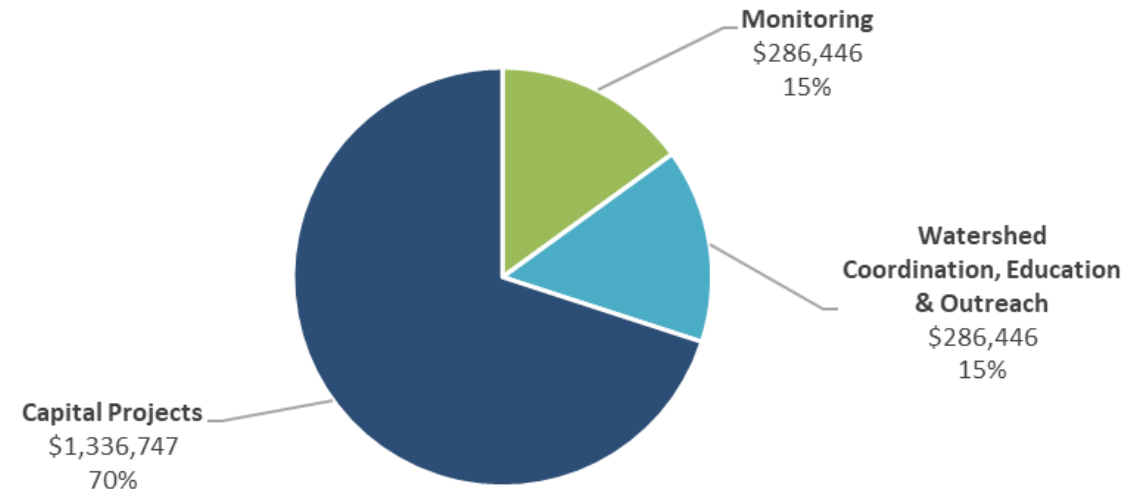

Anticipated 2021 allocation = \$1.9 M

What might that look like for 2021?
