

Our goal: prevent extinction · build a healthy, self-sustaining population · renew a kokanee fishery

The little red fish that could!

6th
Annual
Kokanee Fry
Release

Fry-day, April 24, 2015, noon - 2 p.m.

**Hans Jensen Area of Lake Sammamish State Park
4460 East Lake Sammamish Parkway SE, Issaquah**

**Please join the Lake Sammamish Kokanee Work Group on Laughing
Jacobs Creek to celebrate progress toward our shared goal**

Elementary school and tribal youth will learn about stewardship of kokanee and our watershed.

Kokanee conservation leaders will share their vision and commitment to the recovery efforts.

Partners and supporters will renew our resolve and highlight our new opportunities for progress.

**Learn more about the conservation
of Lake Sammamish kokanee salmon**
