TIPS FOR CONNECTING TO ZOOM

- Familiarize yourself with your computer’s audio capability. If your computer has a microphone, use it to connect with the Zoom audio. Otherwise, you will have an option to call in using your phone after you enter the meeting. Even if your computer has a microphone, have a phone handy and be prepared to use the call-by-phone prompts in case the computer audio doesn’t work. USE ONLY ONE AUDIO CONNECTION AT A TIME – otherwise, feedback may result.
- To enter the meeting, click on the meeting links you received in the meeting invite (and provided below). Your browser should prompt you to “Open Zoom.” *Chrome and Firefox are preferred browsers for Zoom.*
- We encourage you to use your webcam and enable video so that we can see you and connect with you as much as possible using this format.
