TIPS FOR CONNECTING TO ZOOM

- Please arrive to the meeting on time, if not a couple of minutes ahead of the start time.
- Familiarize yourself with your computer's audio capability. If your computer has a microphone, use it to connect with the Zoom audio. Otherwise, you will have an option to call in using your phone after you enter the meeting. Even if your computer has a microphone, have a phone handy and be prepared to use the call-by-phone prompts in case the computer audio doesn't work. USE ONLY ONE AUDIO CONNECTION AT A TIME – otherwise, feedback may result.
- To enter the meeting, click on the meeting links you received in the meeting invite (and on the agenda). Your browser should prompt you to "Open Zoom." Chrome and Firefox are preferred browsers for Zoom.
- Please remember to mute yourself when you are not talking (but remember to unmute yourself when you do want to talk!)
- We encourage you to use your webcam and enable video so that we can see you and connect with you as much as possible using this format.
- The chat function may be used to take questions during the meeting. Feel free to type questions into the chat box.
