

Implementation Plan:

Prospective Salmon projects and programs

- Within WRIA8:
 - Cedar River salmon recovery projects
 - Issaquah Creek Restoration
 - Kokanee Working Group actions
 - Salmon See-son
 - FISH events and programs
 - Interpretive panels at salmon viewing and restoration sites
 - Salmon education curricula
 - What else?
- Elsewhere in the Greenway
 - Instream restoration in the Teanaway and Taneum
 - Cle Elum Lake fish passage
 - Gold Creek restoration
 - Interp displays along the Yakima River system

Are there
projects/programs
you would be
excited to include
in the plan?
