

WRIA 8 Salmon Recovery Council Meeting Preferences Survey

1. How comfortable are you with meeting in-person at an indoor venue?

22 responses

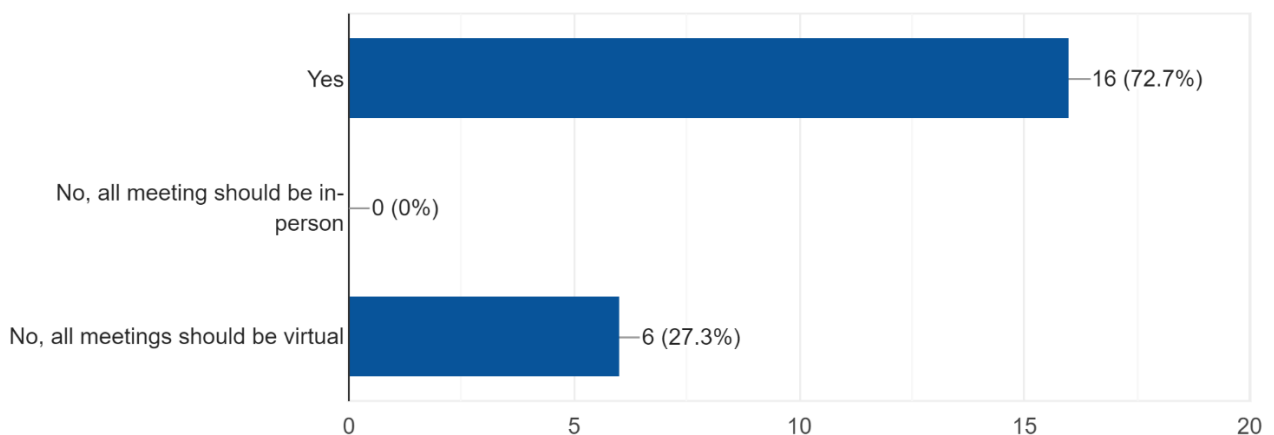

1a. Please tell us your concerns or the considerations we should take to ensure your safety at an in-person, indoor meeting

- Most requested that masks be worn for indoor meetings
- Several preferred a virtual or hybrid meeting to limit time in traffic and carbon footprint
- Some would like assurances that all attendees were vaccinated and pre-tested
- Some participants have high-risk individuals and would prefer to remain virtual

2. Would you like to have a mix of in-person and virtual meetings?

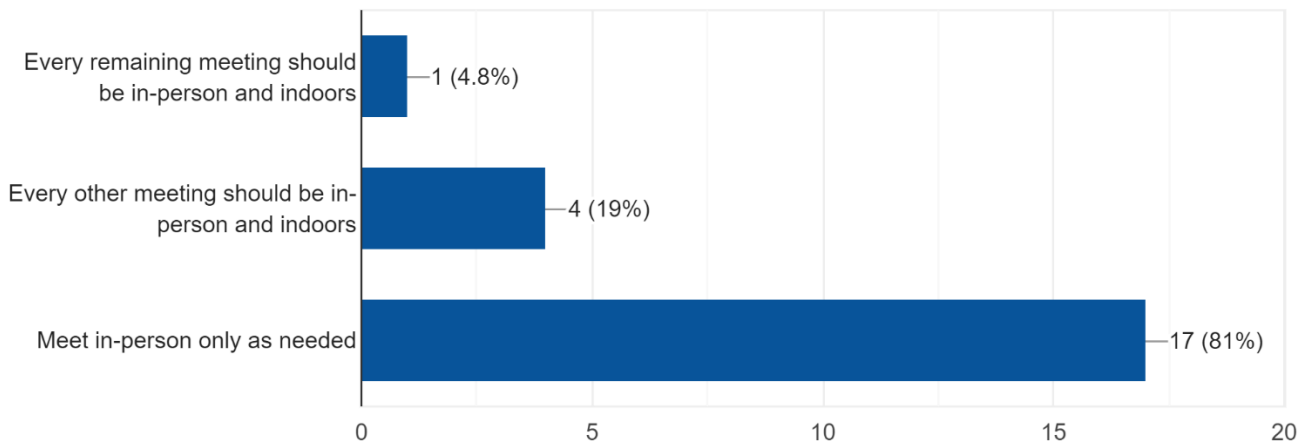

22 responses

WRIA 8 Salmon Recovery Council Meeting Preferences Survey

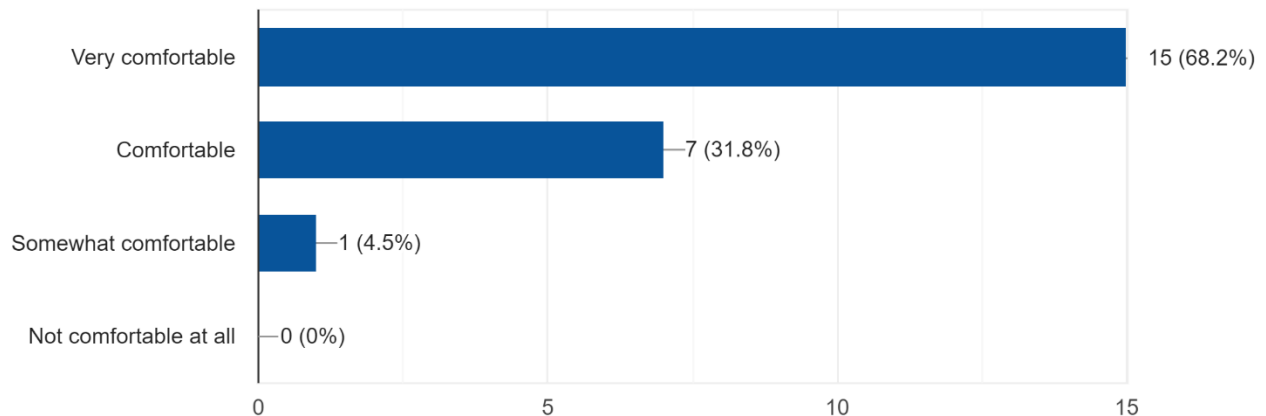

3. If yes, what is the frequency that you would like to meet in-person?

21 responses

4. Would you be interested in and comfortable with an in-person, outdoor meeting (i.e., annual celebration, restoration project site visit, etc.)?

22 responses

5. Paying for parking was not an issue for most.

6. What other considerations should we keep in mind to inform scheduling for future WRIA 8 Council meetings?

- Most preferred virtual meetings for safety concerns, time and resources needed to meet in-person
- A few would not mind meeting in-person but only if necessary and essential
- Several were comfortable meeting outdoors for project visits
