

Lake Washington/Cedar/Sammamish Watershed (WRIA 8) Cooperative Watershed Management Grant Program 2025 Timeline and Review Schedule

Date	Action
December 10, 2024	<u>Grant round announcement</u> Distribute announcement and RFP via email and posted on WRIA 8 website.
January 15, 2025	<u>Notice of Intent (NOI) to Apply Deadline</u> Complete and submit the online notice of intent to apply form by 5:00 p.m via Foundant Platform.
January 24, 2024	<u>Results of Habitat Projects NOI Screening Notified</u> By this date, sponsors of habitat projects will be notified whether or not they are being invited to move forward in the application process.
January 31, 2025	<u>Results of CWM Monitoring and Assessment (M&A) and Outreach and Education (O&E) NOI Screening Notified</u> By this date, sponsors of M&A/O&E proposals will be notified whether or not they are being invited to move forward in the application process.
March 7, 2025	<u>CWM Grant Application Deadline</u> By 5:00 p.m., submit all required grant materials via Foundant online platform.
March 18, 2025	<u>Outreach and Education Presentations</u> Sponsors of Outreach and Education proposals will deliver virtual presentations to Review Team members.
March 20, 2025	<u>Monitoring and Assessment Presentations</u> Sponsors of these proposals will present to Review Team members and other interested members of the Technical Committee. Staff will confirm closer to this date whether the presentations will be virtual or in person.
March 25 & 27, 2025	<u>Habitat Site Visits and Presentations</u> Sponsors of restoration, acquisition, and riparian projects will present their projects to the Grant Review Committee. We plan to host one day of in-person site visits and one day of virtual presentations. Sponsors will be notified which type of presentation they will be asked to deliver after the application deadline.
April – May 2025	<u>Grant Review Committee – Review Team Meetings</u> Grant Review Committee members meet to rank and review projects and prepare funding recommendations.

May 15, 2025	<u>WRIA 8 Salmon Recovery Council</u> Meeting to finalize funding recommendations for transmittal to Flood Control District.
Summer 2025	<u>King County Flood Control District Board of Supervisors</u> Meeting to issue funding decisions.
