

GREEN/DUWAMISH AND CENTRAL PUGET SOUND (WRIA 9) IMPLEMENTATION TECHNICAL COMMITTEE

WRIA 9 Implementation Technical Committee Meeting

May 20, 2026 | 10:00 am – 11:00 am

IN-PERSON! Soos Creek Hatchery

13030 Auburn-Black Diamond Road

<https://maps.app.goo.gl/RRvdgSAe3n6HpTk17>

THIS MEETING IS IN-PERSON AT SOOS CREEK HATCHERY. A map and link to directions are included on the next page.

The facility is located along Soos Creek with a parking lot accessible from SE Auburn Black Diamond Road. The entrance is marked with an orange star on the map. Please park in the large northeast lot, on the righthand side as you drive through the front gate.

Carpooling is encouraged. Please wear comfortable shoes and be prepared for weather (sun/rain gear) – we will be outside for the full meeting.

If you are running late or need day-of direction, please call or text Iris' cell at (206) 375-1312.

Arrive early for outdoors mingling time!

10:00 Soos Creek Hatchery and Keta Creek Hatchery

Brodie Antipa (WDFW) and
Shawn Young (MIT)

Brodie and Shawn will discuss the history of the Soos Creek and Keta Creek facilities, current rearing and release programs, and perspectives on how current and future watershed conditions (flow changes, temperature, etc.) could influence hatchery management strategies.

10:20 Soos Creek Hatchery Tour *Site visit*

Brodie Antipa

Brodie will lead the group on a tour of the Soos Creek facility.
